

## Description:

The 110v VAFR200 handles a variety of different jobs, from straight forward cleaning to the tricky removal of pavement markings. The compact size and the easy handling of the machine makes it ideal for carrying out precise work on small or medium surfaces, both indoors and outdoors. Fitted with a Honda GX160 engine and a working width of 20cm. TCT Pentagonal Carbide cutters fitted as standard with an adjustable cutting depth up to 3mm.

**Product Code: VAFR200E115**
